

## VA7806XMP2 Graphic Cards

- AMD Radeon™ RX7800XT GPU
- 16GB GDDR6, 256bit with 3 Display port2.1 / HDMI® output  
(only 2x simultaneous DP2.1 connections can be supported)
- AMD RDNA™ 3 Architecture
- AMD Noise Suppression
- AMD FreeSync™ Technology
- AMD FidelityFX™ Super Resolution
- AMD Radeon™ Super Resolution
- AMD Privacy View
- Radeon™ Anti-Lag
- VSR (4K)
- PCI® Express 4.0 Support

### Specifcation

|                                |                                                                                                |
|--------------------------------|------------------------------------------------------------------------------------------------|
| GPU                            | Radeon™ RX7800XT                                                                               |
| CUDA Cores / Stream Processors | 3840                                                                                           |
| Engine Clock (Base/Boost)      | 2124/2430 MHz                                                                                  |
| Memory Clock                   | 19.5 Gbps                                                                                      |
| Memory Type                    | GDDR6                                                                                          |
| Memory Size                    | 16 GB                                                                                          |
| Memory Bus                     | 256-bit                                                                                        |
| Interface                      | Support PCI-E 4.0                                                                              |
| Output                         | 3 x Display Port 2.1<br>1 x HDMI® 2.1                                                          |
| Recommended PSU                | 700 w                                                                                          |
| Power Connectors               | 8pin x 2                                                                                       |
| Card Size                      | 282*150*50 mm                                                                                  |
| Accessories                    | 1 x Quick Guide                                                                                |
| OS Support                     | Windows 7 - 64-Bit Edition<br>Linux x86_64<br>Windows 10 - 64-Bit Edition<br>Windows 8.1 64bit |
