

## M7VIT Bravo Motherboard

- Socket A
- Supports AMD Athlon XP/Sempron/Duron Processors
- System Interface Speed 200/266/333MHz
- Supports BIO-Remote 2 Technology
- Supports Charger Booster Technology

## M7VIT Bravo Specification

|                |                                                                                                                                                                                                                                              |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MEMORY         | Support DDR 266/266/333/400 MHz<br>2 x DDR DIMM Memory Slot<br>Max. Supports up to 2GB Memory                                                                                                                                                |
| AUDIO CODEC    | C-Media CMI9739A 6-Channel AC97 Audio                                                                                                                                                                                                        |
| EXPANSION SLOT | 5 x PCI Slot<br>1 x AGP 8X Slot                                                                                                                                                                                                              |
| REAR I/O       | 1 x PS/2 Mouse<br>1 x PS/2 Keyboard<br>2 x USB Port<br>2 x COM Port<br>1 x Printer Port<br>3 x Audio Jacks                                                                                                                                   |
| INTERNAL I/O   | 2 x USB Header<br>4 x IDE Connector<br>1 x Floppy Connector<br>1 x IrDA Header<br>1 x Front Audio Header<br>1 x CD-IN Header<br>1 x S/PDIF-Out Header<br>1 x CPU Fan Connector<br>1 x System Fan Connector<br>1 x Chassis Instruction Header |
| DIMENSION      | ATX Form Factor Dimension: 19cm X 29.5cm ( W x L )                                                                                                                                                                                           |

## ACCESSORIES

1 x IDE Cable  
1 x FDD Cable  
1 x I/O Shield  
1 x Fully Setup Driver CD  
1 x User Manual
